Expositions of the Psalms 73-98 (Vol. 4)-Saint Augustine (of Hippo) 2002 In 1990, New City Press, in conjunction with the Augustinian Heritage Institute, began the project known as: The Works of Saint Augustine, A Translation for the 21st Century. The plan is to translate and publish all 132 works of Saint Augustine, his entire corpus into modern English. New City Press is proud to offer the best modern translations available. The Works of Saint Augustine, A Translation for the 21st Century will be translated into 49 published books. To date, 41 books have been published by NCP containing 93 of The Works of Saint Augustine, A Translation for the 21st Century. Augustine's writings are useful to anyone interested in patristics, church history, theology and Western civilization. -- Publisher.

Acts of the Apostles (Catholic Commentary on Sacred Scripture)-William S. SJ Kurz 2014-02-18 What message was the author of Acts seeking to convey, and what would the original audience have understood? How is God speaking to believers today through Acts as it has been used by the church throughout the centuries? In this addition to the Catholic Commentary on Sacred Scripture, respected New Testament scholar William Kurz offers a close reading and explanation of the entire narrative of Acts, grounded in the original Greek but keyed to the NABRE for liturgical use. This volume, like each in the series, relates Scripture to life, is faithfully Catholic, and is supplemented by features designed to help readers understand the Bible more deeply and use it more effectively.

Does God Always Get What God Wants?-Tim Reddish 2018-03-16 Tim's wife, Anne, died of breast cancer at the age of forty-nine, having battled against the disease for more than six years. Her suffering had a profound influence on their lives and that of their church, and raised challenging questions: • If "God is in control," does that mean God is to blame for suffering? • Why did God not heal Anne? • Is Anne's death what God wanted to happen? • Does prayer make any difference? • What is God doing about evil? People's experience of suffering causes them to examine the kind of God they believe in, the nature of the universe God made, and God's activity in the world. This book explores all three aspects and responds constructively to the complex issues that the above questions pose—and provides powerful reasons for confidence in the firm Christian hope.

The Gospel in the Dock-Bryan M. Christman 2021-08-10 C. S. Lewis famously penned the phrase "God in the Dock" and proposed that there was a "great divide" between ancient and modern humans, in that our ancestors would have rightly seen themselves "in the dock" before God, while we moderns have placed God there before us. But what if what God's love most desires for us, the gospel or "good news" of the only way of life for humanity, has been "in the dock" before us from the time of Adam and Eve? And what if it is also the case that the gospel is often "in the dock" as though it is not good--even for the church? This book builds upon and expands the "life and death" stakes Lewis proposed by demonstrating that the gospel way of faith itself has been placed in the dock by us and in many ways ruined our relationships with God, with our own selves, with one another, and even with the natural world itself which we are meant to "steward" for its good. In these pages the reader will discover why the gospel that requires faith is good news, but why we so tragically default to our divisive and self-destructive ways.

Sechrest 2018-11-06 White narativity as a way of being in the world has been parasitically joined to Christianity, and this is the ground of many of our problems today. Written by a world-class roster of scholars, this volume develops language to describe the current realities of race and racism, challenging evangelical Christianity to think more critically and constructively about race, ethnicity, migration, and mission in relation to white supremacy.

The People of God's Presence-Terry L. Cross 2019-10-15 In an age when the church is sometimes viewed as irrelevant and inauthentic, leading Pentecostal theologian Terry Cross calls the people of God to a radical change of structure and mission based on theological principles. Cross, whose work is respected by scholars from across the ecumenical landscape, offers an introduction to ecclesiology that demonstrates how Pentecostals can contribute to and learn from the church catholic. A forthcoming volume by the author, Serving the People of God's Presence, will focus on the role of leadership in the church.

A Missiology of the Road-J. Kevin Livingston 2013-11-06 David Bosch (1929-1992) was one of the foremost mission theologians of the twentieth century, at once a prolific scholar, committed church leader, and active participant in the global conciliar and evangelical mission movements. Less well known is Bosch's distinctive role in the South African church's struggle against apartheid. After reviewing Bosch's background and exploring key themes in his understanding of mission and evangelism, Livingston explores Bosch's legacy from the perspective of the missionary nature of the church. The church is God's kingdom community, acting as a witness to and instrument of the coming reign of God. The church is God's alternative community, simultaneously set apart from the world but also for the sake of the world, exemplifying the radical implications of Christ's new community. The church is God's reconciled and reconciling community, serving as a sign and embodiment of God's love in Christ. For those acquainted with Bosch only as the author of his magisterial Transforming Mission, Livingston shows how Bosch integrated his theology and practice in a faithful, contextually relevant way within South Africa and the global church.

Acts: Courageous Witness in a Hostile World-Howard Brant 2013-01-24 Most commentaries on Acts are written by Western scholars for a Western audience. This book comes out of more than forty years of teaching in the Majority World. It is aimed at the new breed of emerging missionaries from Asia, Africa, and Latin America. The apostles in Acts faced a hostile world. Yet in that context, the Holy Spirit gave them incredible courage. The scenes of Peter, Stephen, and Paul facing angry mobs and the fury of the Jewish Sanhedrin are being played out in India, China, and Eritrea today. Acts teaches us how to have a "courageous witness in a hostile world." Further, this work addresses the powerful forces that assault the worldwide church--particularly the racism that splits the church all over the world. Acts: Courageous Witness in a Hostile World will thrill you as you see how God's Spirit overcomes every obstacle and keeps the church on track, even when we think all is lost. Read this book for yourself and become courageous.

Eager to Love-Richard Rohr 2020-03-05 Francis of Assisi is one of the most beloved of all saints. Both traditional and entirely revolutionary, he was a paradox. He was at once down to earth and reaching toward heaven, grounded in the rich history of the Church while moving toward a new understanding of the world beyond. Globally recognized as an ecumenical teacher, Richard Rohr started out—and remains—a Franciscan friar. The loving, inclusive life and preaching of Francis of Assisi make him a recognizable and beloved saint across many faith traditions. He was, as Rohr notes, “a master of ‘making room for it’ and letting go of that which was tired or empty.” Francis found an “alternative way” to follow Jesus, one that disregarded power and privilege and held fast to the narrow path of the Gospel. Rohr helps us look beyond the birdbath image of the saint to remind us of the long tradition founded on his revolutionary, radical, and life-changing embrace of the teachings of Jesus. Rohr draws on Scripture, insights from psychology, and literary and artistic references, to weave together an understanding of the tradition as first practiced by St. Francis. Rohr shows how his own innovative theology is firmly grounded in the life and teaching of this great saint and provides a perspective on how his alternative path to the divine can deepen and enrich our spiritual lives. The audio edition of this book can be downloaded via Audible.

One Good Word a Day-Kristin Demery 2021-10-05 If you were to pick one word for the year, what would it be? Invite . . . Abide . . . Balance . . . Simplify . . . ? Every January, many of us proclaim our word for the year, choosing something inspiring that will help us set our intention for the coming months. But what would happen if rather than choosing one word for an entire year (because let's face it, some of us forget by March), we focused on one good word each day—one thought-provoking, spiritually relevant, and encouraging word that reveals the many lovely and delightful truths of who Jesus is in our lives? One Good Word a Day, by the creators of the online community, The Ruth Experience, offers simple, but deeply spiritual meditations that will help readers linger on one word each day so they can identify and reflect on how Jesus as the Word influences their daily lives. Jesus is more than one word. He offers us abundance, hope, peace, kindness, courage, mercy, and so much more. One Good Word a Day reminds readers that in Christ, we find all we need to live encouraged and uplifted every day.

Divine Providence: A History-Brenda Deen Schildgen 2012-07-26 Holding divine intervention responsible for political and military success and failure has a long history in western thought. This book explores the idea of providential history as an organizing principle for understanding the divine purpose for humans in texts that may be literary, historical, philosophical, and theological. Providential History shows that, with Virgil and the Bible as authoritative precursors to late antique views on history, the two most important political thinkers of the late antique Christian world, Orosius and Augustine, produced the theories of Christian politics and history that were carried over into the first and second millennium of Christianity. Likewise, their understanding of how the history of the late Roman Empire connects to God's plan for humankind became the background for understanding Dante's own positions in the Monarchia and the Commedia. Brenda Deen Schildgen examines Dante's engagement with these authoritative sources, whether in biblical, ancient Roman writers, or the specific legacy of Orosius and Augustine.

Interreligious Curriculum for Peace Education in Nigeria-Isaiah Ekundayo Dada 2019-04-18 Nigeria, a country under a military regime for several years, transitioned to a civilian regime in May 1999. Since this change, violent conflicts between Christians and Muslims have continued to erupt. They constitute one of the gravest dangers facing Nigeria, a country with a population of 189 million people. What have Nigerian religious leaders done about this situation, especially in educational circles? Have they received formal educational training to understand the causes of this violence and especially how to provide alternatives for more peaceful relations within Nigeria? Does the current educational system in Nigeria provide the main ingredients for the promotion of a culture of peace? The absence and neglect of interreligious peace education as part of a peace education core program and the lack of an interreligious curriculum for peace education in the training of religious leaders are the two problems contributing towards the lack of effectiveness of religious leaders in promoting less violent and more peaceful living. The solution to the problem is proposed in this book entitled Interreligious Curriculum for Peace Education in Nigeria. The book develops a one-year curriculum, building on Yoruba, Islamic & Christian conceptions of peace, and teaches how to create safe, caring, spiritual, peaceful and successful interfaith relationships between all Nigerian religious communities. In the long term, the book helps to educate religious leaders to contribute, in themselves and with the help of their respective religious communities, to reducing the growing religious violence in Nigeria.

Who Is Your Father?-Gustav Shakefoot 2007-01 Many of society's ills can be traced back to fatherlessness. Unfortunately we live in a mostly fatherless generation. Fathers are very critical in any person's life. We did not choose our biological father, we can choose our spiritual father but most of all we can and should choose our heavenly Father. If we do not choose God the Father we automatically choose Satan as our father: the father of lies. There are no substitutes for the biological father nor for God the Father. The physical presence of the biological father is required for anyone to mature properly and so is the presence of God the Father required to mature spiritually. 'Who is your Father?' will help you to make that choice.

How to Raise an Abel When the World Is Raising Cain-Keith D. Pisani 2019-12-05 It can be a challenging task to raise a child to love the Lord, discover God’s purpose for his or her life, and be faithful to Him in the midst of a society that seems bent on destroying the home. Seasoned pastor and committed father Keith Pisani digs deep into God’s word and relates lessons from numerous biblical passages, from Genesis through Revelation, to guide parents down an inspirational path to learn how to raise children for the Lord, form a salvation relationship with God through faith in Jesus, and ultimately give Him glory. While relying on applicable scriptures to provide insight on how the family began and sharing principles on parenting from Proverbs, Pisani also includes lessons on child-rearing from other family-related bible passages, a nine-session interactive small group bible study extracted from the text, and principles for parenting. In this modern-day manual, a pastor and experienced father shares scripture, wisdom, and a roadmap that guides parents on an insightful journey to raising Christian children within a challenging society.

God Is Plural-Paul Veliyathil 2010-01 If the God who spoke to Moses on Mount Sinai 3000 years ago, does not speak to Mr. Mosley in Miami Beach in 2009, we have a theological problem. This book is the result of a deep conviction that to be effective in the 21st century, a preacher must focus one eye on the Bible and the other on the mass media. This collection of 52 sermons invites the reader to awaken to a new level of consciousness about his innate identity as a spiritual being and to affirm the divinity in others. The author beautifully blends his personal stories with the stories of God and challenges you to look beyond what you see, to experience God with your sixth sense, treat every place as holy ground and to love your neighbor as an extension of your own self. Thought provoking and non traditional, these sermons are relevant beyond the walls of churches and chapels

It Is Finished-Janice Gaddy 2017-10-05 "IT IS FINISHED." Our Lord Jesus spoke these words on the Cross not long before His death. Indeed, the promise of redemption that was given so long ago was finally fulfilled. Now all who would call upon the name of Jesus would be saved forevermore. Entering the rest of God was once again a reality. No more striving. No more toiling. In body, soul, and spirit, we could experience the presence and power of God. Yet how many Christians truly realize the fullness of their salvation? How many continue to live in fear, depression, condemnation, and lack? How many understand what was finished and who they truly are in Christ Jesus? Through the words in this devotional, you will find a beautiful unfolding of truth. You will come to understand what was God's heart and plan for you from the beginning, what really happened in the Garden of Eden, and who you truly are because of what Christ Jesus accomplished on the Cross. And as you read and grow each day in experiencing His love for you, you will come to know a joy and peace and victory beyond what you have even imagined. Truly, IT IS FINISHED."
