Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

Hungering for God-Saint Augustine (Bishop of Hippo.) 1997 The devotional writings of Augustine are referenced by an appendix on how to read them fruitfully and how to apply the writer's spiritual insights to daily life.

Selected Writings of Jonathan Edwards-Jonathan Edwards 1970 This book captures many different aspects of Jonathan Edwards through his writings & speeches.

Selected Writings-Meister Eckhart 1994-08-25 Composed during a critical time in the evolution of European intellectual life, the works of Meister Eckhart (c. 1260-1327) are some of the most powerful medieval attempts to achieve a synthesis between ancient Greek thought and the Christian faith. Writing with great rhetorical brilliance, Eckhart combines the neoplatonic concept of oneness - the idea that the ultimate principle of the universe is single and undivided - with his Christian belief in the Trinity, and considers the struggle to describe a perfect God through the imperfect medium of language. Fusing philosophy and religion with vivid originality and metaphysical passion, these works have intrigued and inspired philosophers and theologians from Hegel to Heidegger and beyond.

God Is All and Selected Writings-Lillian DeWaters 2018-01-25

Selected Writings-Thomas Aquinas 1998-06-25 In his reflections on Christianity, Saint Thomas Aquinas forged a unique synthesis of ancient philosophy and medieval theology. Preoccupied with the relationship between faith and reason, he was influenced both by Aristotle's rational world view and by the powerful belief that wisdom and truth can ultimately only be reached through divine revelation. Thomas's writings, which contain highly influential statements of fundamental Christian doctrine, as well as observations on topics as diverse as political science, anti-Semitism and heresy, demonstrate the great range of his intellect and place him firmly among the greatest medieval philosophers.

figures in the Protestant Reformation offers excerpts from his sermons, commentaries, tracts, and letters that address such topics as his belief in universal education for both boys and girls, the sanctity and freedom of individual conscience, and his theology of the "elect." Original. 15,000 first printing.

David Strauss-Friedrich Wilhelm Nietzsche 2008-10-01 Friedrich Wilhelm Nietzsche (1844-1900) was a German philosopher. His writing included critiques of religion, morality, contemporary culture, philosophy and science, using a distinctive style and displaying a fondness for aphorism. Nietzsche's influence remains substantial within and beyond philosophy, notably in existentialism and postmodernism. He began his career as a philologist before turning to philosophy. At the age of 24 he became Professor of Classical Philology at the University of Basel, but resigned in 1879 due to health problems, which would plague him for most of his life. In 1889 he exhibited symptoms of serious mental illness, living out his remaining years in the care of his mother and sister until his death in 1900. His works include *From my Life* (1858), *On Music* (1858), *Napoleon III as a President* (1862), *Free Will and Fate* (1862), *My Life* (1864), *The Birth of Tragedy* (1872), *Richard Wagner in Bayreuth* (1876), *Human, All-Too-Human* (1878), *Beyond Good and Evil* (1886), *The Antichrist* (1888) and *Ecce Homo* (1888).

Nietzsche and the Death of God-Peter Fritzsche 2013-12-02 A compact introduction to Nietzsche's writings about God, language, truth, and myth, this collection will engage and appeal to both veteran and novice readers. Fritzsche's insightful introduction presents valuable historical, biographical, and cultural guidelines for exploring Nietzsche's ideas and influence, without ignoring his literary acumen. The samples of Nietzsche's writing were carefully chosen to represent Nietzsche's enduring relevance for contemporary life. With "the death of God" as his starting point, Fritzsche selected and translated documents from the full range of Nietzsche's explosive writings to expose readers to key ideas he developed. His bold concepts ignited reactions in his time and continue to energize and shape worldviews. Selections include Nietzsche's thoughts on such topics as how humans have fallen into a subordinate relationship with systems of morality of their own making, and the importance of recognizing new possibilities; how different cultures and languages enable unique interpretations—that is, there is no common or real world; and how the "slave mentality" of the West inclines people to see each other as victims instead of masters of their own lives. All of the documents feature notations about publication history and context for the readings that follow; gloss notes explain literary allusions, historical references, and unfamiliar terms; appendixes include a chronology of Nietzsche's life, questions for consideration, and a bibliography of selected works by and about Nietzsche.

Meister Eckhart, from Whom God Hid Nothing-Eckhart 2005-12-13 This introduction to the writing and preaching of the greatest medieval European mystic contains selections from his sermons, treatises, and sayings, as well as *Table Talk*, the records of his informal advice to his spiritual children.

Augustine of Hippo, Selected Writings-Augustin (saint.) 1984 Gathers selections from St. Augustine's autobiographical Confessions, sermons on Christian life and the Psalms, and his discussion of the secular and Christian views of happiness.

Begin with God : Selected Writings of G.G. Johnston-G. G. Johnston 1971

The Laughter of God-John Roland Stahl 2008-09-01

On Love-Joseph Cardinal Ratzinger 2021-01-22 In these homilies, most of which are previously unpublished, Joseph Ratzinger, now Pope Emeritus Benedict XVI, addresses the theme he has celebrated, pondered, and witnessed by his life more than any other: love. For him, love is the vital nucleus of the Church and to serve Christ is above all a question of love: "Peter, do you love me? Feed my sheep" (Jn 21:15-17). Love is also the quest of every human being on the journey toward eternity. He beautifully states, "Christianity is a movement, a journey; it is not a theory, a sum total of doctrine; Christianity is life, it is a vital impetus that carries us toward true life. . . . Someone who has found love can say: I have found life." Arranged by the liturgical seasons of the Church year, the homilies predate the author's pontificate. The earliest dates from 1970 while he was still a professor of theology. Thus, this collection traces the way Joseph Ratzinger has been enamored of the love of God throughout his years of serving the Church.

Selected Writings on Grace and Pelagianism-Saint Augustine (Bishop of Hippo.) 2011 Space ads in America, Commonweal, Living Church, Living City; Feature in ASpirit of Books@ catalog (120,000); Feature in Theological Best Books catalog (90,000); Extensive review campaign; Direct mailings to house list (monthly); E-mail marketing to selected consumer and academic lists

Is God Happy?-Leszek Kolakowski 2013-02-05 The late Leszek Kolakowski was one of the most influential philosophers of the twentieth century. A prominent anticommunist writer, Kolakowski was also a deeply humanistic thinker, and his meditations on society, religion, morality, and culture stand alongside his political writings as commentaries on intellectual—and everyday—life in the twentieth century. Kolakowski's extraordinary empathy, humor, and erudition are on full display in *Is God Happy?*, the first collection of his work to be published since his death in 2009. Accessible and wide ranging, these essays—many of them translated into English for the first time—testify to the remarkable scope of Kolakowski's work. From a provocative and deeply felt critique of Marxist ideology to the witty and self-effacing "In Praise of Unpunctuality" to a rigorous analysis of Erasmus' model of Christianity and the future of religion, these essays distill Kolakowski's lifelong engagement with the eternal problems of philosophy and some of the most vital questions of our age.

John of the Cross-Saint John of the Cross 1987 COPY 2 LOCATED IN STACK.

Walking Humbly with God-John Woolman 2000-01-01 The eighteenth century Quaker John Woolman dedicated his life to concern for others. His extensive Journals, sampled in this volume, show how his concern grew from those chained in slavery to include all who were poor, oppressed or exploited. Now a spiritual classic, the Journals reveal the development of a Christian soul seeking to do and know God's will in all things. Book jacket.

On the Love of God and Other Selected Writings-Saint Bernard (of Clairvaux) 1996-01 Includes his treatise on the Song of Songs, on the Blessed Virgin Mary, selected letters and excerpts.

Selected Writings-Saint Thomas More 2003 An evocative collection of writings by the celebrated man of conscience, beheaded for high treason against King Henry VIII, includes a selection of his poignant final letters to his daughter, "Tower Works" written in prison, poems, private prayers, devotional works, and other spiritual writings. Original. 12,500 first printing.

The Selected Writings of Friedrich Nietzsche-Friedrich Nietzsche 2013-05-20 Collected here in this omnibus edition are three of Nietzsche's three most important books: The Anti-Christ, Beyond Good and Evil, and Thus Spake Zarathustra, as well as The Philosophy of Friedrich Nietzsche by Henry Louis Mencken. A perfect book for new readers of Nietzsche or anyone hoping to understand his writing and philosophy more thoroughly. The Philosophy of Friedrich Nietzsche by Henry Louis Mencken was the first, and many believe the best book on the subject. Mencken was known for his attention to detail. This book is a must read for anyone who wishes to understand Nietzsche and his underlying philosophy. Thus Spake Zarathustra is a masterpiece of philosophical literature, and it is here that Nietzsche uttered the famous phrase "God is dead!" This powerful book spells out Nietzsche's belief in the will to power, and serves as an introduction to his doctrine of eternal return. One of the most influential books of philosophy ever written. Nietzsche writes with style, power, and conviction. In Beyond Good and Evil, Nietzsche attacks past philosophers for their alleged lack of critical sense and their blind acceptance of the Christian premises in their consideration of morality. The work attempts to move "beyond good and evil" in the sense of leaving behind the traditional morality which Nietzsche subjects to a destructive critique in favor of what he regards as an affirmative approach that fearlessly confronts the perspectival nature of knowledge and the perilous condition of the modern individual. Here is Friedrich Nietzsche's great masterpiece The Anti-Christ, wherein Nietzsche attacks Christianity as a blight on humanity. This classic is essential reading for anyone wishing to understand Nietzsche and his place within the history of philosophy.

A Keeper of the Word-William Stringfellow 1994 This is a print on demand book and is therefore non- returnable. This "Stringfellow reader" collects the most significant of William Stringfellow's works -- currently all out of print -- plus important material not previously published. Included are an introductory essay by the editor that comments on Stringfellow's major works and the impact of his thought; an autobiography constructed from Stringfellow's own writings; an anthology of Stringfellow's writings, including excerpts from thirteen books and from magazine articles and speeches; portions of two books left incomplete at the time of Stringfellow's death, and a thorough bibliography of Stringfellow's writings.

Total Devotion to God-William Law 2000-01-01 William Law's classic book, A Serious Call to a Devout and Holy Life, excerpted in this volume, shows the joy and worth of a disciplined life. Law gives extensive advice for those who are dedicated to holy living and shows how daily prayer can shape the rest of one's life into praise to God and love for neighbor. Book jacket.

Chosen by God-R. C. Sproul 2011-02-18 Nearly 200,000 copies sold! Chosen by God by Dr. R. C. Sproul is a contemporary classic on predestination, a doctrine that isn't just for Calvinists. It is a doctrine for all biblical Christians. In this updated and expanded edition of Chosen by God, Sproul shows that the doctrine of predestination doesn't create a whimsical or spiteful picture of God, but rather paints a portrait of a loving God who provides redemption for radically corrupt humans. We choose God because he has opened our eyes to see his beauty; we love him because he first loved us. There is mystery in God's ways, but not contradiction.

Encounter With God's Love-Julian (of Norwich) 1998

Selected Writings-Robert Musil 1986 Writings: Young Torless, Three Women, The Perfecting of a Love and other Writings, by Musil by Robert Musil>

Ineffable Union With Christ: Living in the Kingdom-Ph. D. Gregory S. Camp 2016-08-25 The articles and speeches found in this book are a selected collection Rufus Moseley wrote between the years 1927 and 1937. They detail the journey of a man of God who first came to Christ in 1889, received the Baptism of the Holy Spirit in 1910, and began a lay ministry that would in time extend across the United States and overseas. The theme of these articles is living in the Kingdom of God in the here and now, what Moseley was fond of calling "Ineffable union with Christ." It was his contention that each believer has promised to them the ability to live in daily, moment-by-moment conscious union with Jesus that will produce a life of joy on an unparalleled level. Also calling this union the "Life as Love," meaning that as one lives in that joy and gives out God's perfect love and nothing but

that love, the union will deepen. A deep secret of the Kingdom, Moseley contended, was that we are forced to realize that we live in what we give out, as such to give out anything less

than Christ's perfect love takes one out of intimate fellowship with Him. If we give out evil to anyone, we live in it ourselves until we repent and return. It is no exaggeration to say that the writings of J. Rufus Moseley read like new Epistles of John. The sheer depth of the revelation that the Holy Spirit gave him of this union was indeed decades ahead of his time. A towering figure in his day, it is time the great gifts he had to share are once more available to Christians today. As you read his folksy, humble words and partake of the Spirit contained therein, you will, I believe, find yourself asking for that Perfect Love and realize as Rufus Moseley did, that God is a good God, a loving Father who wants the very best for his children, and is more willing to offer it than we are to ask for it.

The Presence of God in All Things and Places in Selected Writings of St. Thomas Aquinas-Paul M. Murphy 1963

Selected Writings of Juan Ramon Jimenez-Juan Ramon Jimenez 1999-12

The Joy of God-Mary David 2019-07-25 Sister Mary David Totah was a nun of the Benedictine contemplative community of St Cecilia's Abbey on the Isle of Wight. American by birth, she was educated at Loyola University, the University of Virginia and Christ Church, Oxford. After a distinguished teaching career, she entered religious life in 1985. For 22 years until her early death from cancer she guided the young nuns of her abbey with enthusiasm, wisdom and wit. The spirituality to be found in the pages of this book demonstrates to the reader why her influence should have been so great and so deep. Her notes to the novices deal with issues of relevance to a world beyond the cloister: What is the meaning of suffering? How do we cope with living with people who annoy us? How do we relate to a God we cannot see? How do we make the big decisions of life? Sister Mary David's teaching was both profound and intensely practical, suffused with faith in God's joy in our work, leisure, community and family life but above all in our view and understanding of ourselves. This book, with an introduction by Abbot Erik Varden OCSO (author of *The Shattering of Loneliness*) shows us how to realize the Joy that is God.

God-language in Selected Writings of Richard Swinburne-John T. Burnett 1999

God's Knotty Log-John Bunyan 1961

The Divine Within-Aldous Huxley 2013-07-02 Brave New World author Aldous Huxley on enlightenment and the "ultimate reality" In this anthology of twenty-six essays and other writings, Huxley discusses the nature of God, enlightenment, being, good and evil, religion, eternity, and the divine. Huxley consistently examined the spiritual basis of both the individual and human society, always seeking to reach an authentic and clearly defined

existence of the divine. **Featured in the book is a section by noted religious scholar Huston Smith, this celebration of "ultimate reality," proves relevant and prophetic in addressing the**

spiritual hunger so many feel today.

The Way to God-Mahatma Gandhi 2011-07-26 Mahatma Gandhi became famous as the leader of the Indian independence movement, but he called himself “a man of God disguised as a politician.” The Way to God demonstrates his enduring significance as a spiritual leader whose ideas offer insight and solace to seekers of every practice and persuasion. Collecting many of his most significant writings, the book explores the deep religious roots of Gandhi’s worldly accomplishments and reveals—in his own words—his intellectual, moral, and spiritual approaches to the divine. First published in India in 1971, the book is based on Gandhi’s lifetime experiments with truth and reveals the heart of his teachings. Gandhi’s aphoristic power, his ability to sum up complex ideas in a few authoritative strokes, shines through these pages. Individual chapters cover such topics as moral discipline, spiritual practice, spiritual experience, and much more. Gandhi’s guiding principles of selflessness, humility, service, active yet nonviolent resistance, and vegetarianism make his writings as timely today as when these writings first appeared. A foreword by Gandhi’s grandson Arun and an introduction by Michael Nagler add useful context. From the Trade Paperback edition.

Selected Writings-William Tyndale 2003 First published in 2004. Routledge is an imprint of Taylor & Francis, an informa company.

Selected Writings of Hans Denck, 1500-1527-Hans Denck 1989 This text provides in modern English the bulk of the literary output of Hans Denck (1500-1527), one of the lesser reformers and a pathbreaker of undogmatic Christianity whose Christian humanist notions attracted many of his contemporaries. Denck's eirenical spirit and his profound spirituality are fully reflected in these translations, which include scripture and general indexes.

Quaker Spirituality-HarperCollins Spiritual Classics 2005-05-03 Simplicity in forms of worship, opposition to violence, and the importance of compassionate living and thoughtful listening are hallmarks of the spirituality of the Quakers. From their beginnings in seventeenth-century England to today, the Friends have attempted to live out their belief in the presence of God's spirit within their hearts. This book features the writings of some of the most influential and inspirational Quaker thinkers -- George Fox, John Woolman, Caroline Stephen, Thomas Kelly, and others -- providing a vivid portrait of the beautiful, simple spirituality of the Quakers.
