God Loves Gays-Ken Harrow 2017-11-09 God loves (period). In fact, God doesn't just love - 'God is love' - It doesn't matter who we are or what we've done, God loves us. And He doesn't expect us to be perfect before we come to Him, or after for that matter. God gave my wife and I two gay sons and we are committed Christians. We love them unconditionally and so does God. That set me on a search of the Bible. Because it seemed important to my younger son that I should attend Gay Pride in Liverpool, I agreed to do so. I was overwhelmed by the reception I received as I held my 'God Loves Gays' sign. Apparently some religious people had been holding up a 'God hates Faggots' sign nearer the start of the procession. Hopefully this book will strike at those who judge others and who, by their very actions, condemn themselves. I want everyone to know that they are loved by God. He couldn't love them more than He does at this precise moment. Jesus came to show us that God loves us just as we are. He gave His life on the cross to display the full extent of that love. He tells us Himself that He did not come into the world to condemn people. God wants each one of us to run to Him, like the prodigal stinking of pigs, dirty and full of sin. No strings attached and if we do then he will kill the fattened calf, arrange the karaoke and even get some angels in on the jamboree. Sadly in the background will be religious people who can't stand fun but prefer to 'tut'. One of the chapters is headed 'God Invented God Loves Fun PDF', [Read God Loves Fun Online](#), [Where to find God Loves Fun Pdf](#), [Download God Loves Fun Free](#), [God Loves Fun To Read](#), [Read Online God Loves Fun](#), [Free God Loves Fun Download](#), [Ebooks God Loves Fun Free](#), [Pdf Books God Loves Fun](#), [God Loves Fun Free Without Downloading](#)

Sex' - Too many seem to think that God doesn't like sex. He told the first couple, "Be fruitful and multiply!" And there's only one way to do that. Hopefully the book is fun. I sensed a twinkle in God's eye as I stood at Gay Pride and a chuckle as I set to writing this book. I hope you enjoy it and that it will cause you to run towards your loving creator with arms open wide just like his are towards you. I believe that the Bible is God breathed and that God is still breathing His life through His word. I believe that the Scriptures are 100% inspired. But I also believe that there is a progression - According to God's written law the woman caught in the act of adultery ought to have been stoned to death but Jesus rode roughshod over His Father's law and in certain other places it is clear that God changed His mind. Read on with a mind open to hear His voice. Inviting God into your life is to open yourself to the real fun. The devil is the kill-joy. God loves you massively and He couldn't love you one iota more than He does right now. I didn't know what to expect as I began writing this book but I found that He is aching to be loved by His creation. - Every single penny, dime, cent which I receive from each one of my books goes to Teenage Cancer Trust.
