Investigations of Proverbs, Proverbial Expressions, Quotations and Clichés-Wolfgang Mieder 1984 This fourth volume of the series -Sprichwörterforschung- (proverb research) presents a bibliography of approximately 10,000 notes explaining the origin, history and meaning of individual proverbs, proverbial expressions, quotations and clichés which have appeared in 228 volumes of the British journal Notes and Queries from 1849 to 1983. Most entries refer to English texts, but there are also notes on French, German and Latin expressions. References to twin formulas, reduplicatives, wellerisms and weather rules are also included, making this book a useful bibliography for the philological and historical study of proverbial materials. For additional references out of other journals see Wolfgang Mieder, International Bibliography of Explanatory Essays on Individual Proverbs and Proverbial Expressions (Verlag Peter Lang, Bern 1977)."

Dictionary of Idiomatic English Phrases-James Main Dixon 1891 This is a classical text of a dictionary of English idioms and phrases. This is a pre-1923 historical reproduction that was curated for quality. Quality assurance was conducted on each of these books in an attempt to remove books with imperfections introduced by the digitization process. Though we have made best efforts - the books may have occasional errors that do not impede the reading experience. We believe this work is culturally important and have elected to bring the book back into print as part of our continuing commitment to the preservation of printed works worldwide.
