I Love Jesus, But I Want to Die-Sarah J. Robinson 2021-05-11 A compassionate, shame-free guide for your darkest days “A one-of-a-kind book . . . to read for yourself or give to a struggling friend or loved one without the fear that depression and suicidal thoughts will be minimized, medicalized or over-spiritualized.”—Kay Warren, cofounder of Saddleback Church What happens when loving Jesus doesn't cure you of depression, anxiety, or suicidal thoughts? You might be crushed by shame over your mental illness, only to be told by well-meaning Christians to “choose joy” and “pray more.” So you beg God to take away the pain, but nothing eases the ache inside. As darkness lingers and color drains from your world, you're left wondering if God has abandoned you. You just want a way out. But there's hope. In *I Love Jesus, But I Want to Die*, Sarah J. Robinson offers a healthy, practical, and shame-free guide for Christians struggling with mental illness. With unflinching honesty, Sarah shares her story of battling depression and fighting to stay alive despite toxic theology that made her afraid to seek help outside the church. Pairing her own story with scriptural insights, mental health research, and simple practices, Sarah helps you reconnect with the God who is present in our deepest anguish and discover that you are worth everything it takes to get better. Beautifully written and full of hard-won wisdom, *I Love Jesus, But I Want to Die* offers a path toward a rich, hope-filled life in Christ, even when healing doesn't look like what you expect.

Help God, I Am Confused-Cheryl Travis 2021-05-01 Confusion impacts the way we think and inhibits our ability to focus. For those of us who like order and loathe surprise roadblocks, confusion is unwelcome and debilitating. This book is number six in a series of short pocketbooks designed to assist and support your journey to fulfill God's design and purpose for your life. After reading the contents of this book, I hope you will have the tools to help call peace to your windy storms and find direction in the calm.

I Am God. So Are You. Now, Peace.-Lucho Medina 2013-04-12 When you look at the world, it seems so vast yet complicated to understand. Its people, its forms of governments and its systems of governments. Its beliefs, forms of beliefs and systems of beliefs; all created by man and/or the rule of man over another man; when all we needed was to understand that there are no systems of government as there are no systems of beliefs without its people, as there are no rich corporations or anything else without its people. People are the most important element on this part of the universe, because nothing would matter if we did not exist, and because we exist everything matters, and because it matters the rule of man has been taking advantage of its people, because its people were too ignorant to understand those simple facts. All this has been going on for thousands of years and if "we" the people do not stop this ignorance, we will continue to live like this forever. "Change the Charter of the United Nations"; as soon as we change this, we can kill world hunger in three years and live in peace immediately. It is time for the people to understand knowledge, and with knowledge we can change all systems of beliefs as well as all systems of government. All you have to do is seek for knowledge, and with knowledge we can all conquer the universe, live forever, and live happily, rich and in peace. —from I Am God. So Are You. Now, Peace

I Am God (And so Are You, My Friend)-Danny Rongo 2018-11-11 I Am God (and So Are You, My Friend): A Common Man's Guide to Oneness is a book that presents itself at an extremely urgent time for our race (the human race). As the walls of separation, hatred, and divisiveness become more apparent with each passing day, it becomes obvious that traditional methods for peace have not worked. Oneness is the state of being completely united with one and all. It is our inherent nature that our society has grown away from due to many things, but mainly our ego. The only way back to living in peace is through the unity that oneness represents. This book explains how our society got to this boiling point of separation through our own collective consciousness (yes, our world is in this shape from our own doing). And the only way to reverse that current collective consciousness is through oneness. This book not only proves how we are connected at our very core but it also gives examples of how understanding oneness changes your life immediately, which in turn effects our world collectively.

Help God, I Am Angry-Cheryl Travis 2020-01-08 Anger is one of our basic human emotions. Satan often uses this emotion to destroy relationships and bind both emotional and spiritual growth. In this book, we will talk about anger, how the enemy uses it to debilitate, and how to control it. This book is second in a series of short pocket-books that are designed to assist and support your journey to fulfill God's design and purpose for your life. My prayer is, after reading this book, you will be able to unveil negative behaviors that are rooted in anger and realize the powerful truth that you are more than a conqueror.

God, Why Am I Still Here-Cletus Cottrell 2020-03-03 As us four brothers were growing up, I felt there was something different about us that just wasn't in conformity to other youngsters in our area. This affected our lifestyle, our schooling process, and of course, our lonely secluded family life. We all want to grow up in a lovable happy home together, like other kids in our neighborhood. Just because we didn't have the nice clothes, a big beautiful fancy house, new car, I didn't feel equal or the same as others. We had to make the best of what we had on our rural farm, then get uprooted, and moved from one home to another that I began to feel abnormal or different. Why did I feel this way, why am I here, and what was I supposed to do with my life? I grew up not knowing what my real purpose in life was to be. My horrible dealings with alcohol led me into depression, suicidal tendencies, and never-ending sins of the world. I was hurt from no parental love and felt lonely and abandoned, abused, and filled with guilt, hate, and anger at myself and many others. It never left or went away. I seemed like a no-win case, but it all changed when I went to my second rehab to get sober where I met a different person who changed the course of my life. It was here that I was introduced to the Lord and Savior of the world, Jesus. It was he who kept me from further killing myself with alcohol and the devious works of Satan. My life has changed drastically and was led to an awesome God who truly loves me. It was soon after all this I met the first true love of my life. Without her, I would not have made it at all. It's through the daily reading of God's Word and prayer that keeps me from backsliding down the wrong path again. I'm also hoping that through this book, that if just one person who is suffering from the same problems gets just one helpful thing from it, then this book was intended to be written and worth it. Amen

Anger-Concordia Publishing House 1994-01-01 Sometimes we find it hard to connect with God. Sometimes it's even challenging to connect with other people. where you are. The real question is not “What does God want from you?” but “What does God want for you?” Sharon Jaynes understands what it’s like to have a “glory ache”—a longing to experience God’s presence on a daily basis. She also knows how easily working for God can get in the way of intimacy with God. And she’s discovered that we tend to make our faith journey much too hard. In *A Sudden Glory*, Sharon uses Scripture and story to help you erase the line between your “spiritual life” and your “daily life” as you enter the sanctuary of God’s presence even in the middle of your busy, messy day. Here you will find your eyes opened to moments of sudden glory in which the Creator assures you of His love as you live and move and have your being in Him. Here you will discover true freedom—the freedom of experiencing God in a deeper and more intimate way than ever before. Includes Bible study and discussion guide.

God I Am Hurting and I Want to Be Made Whole Again-Martha M. Boyd 2013-09-30 As I look around day after day at the body of Christ as a whole, many members but one body of Christ, my spirit is grieved. Pastor, teacher, preacher, Christian leader our leaders are becoming weary, and they are no longer walking in the strong faith they once walked in. Day after day, I am face-to-face with yet another weary, wounded believer who is willing to quit and give up rather than get to the secret of the matter at hand. I have found myself teaching, preaching to another with a wounded, broken heart while my heart was bleeding worse than the one whom I was helping. I found depression whatever pressed you could name, I was connected to it. Just down and out, I could not even get out of bed for weeks at a time. All I wanted to do was to help others become healed of their wounded issues while I was covering up, still in fragments myself. I see so many wounded leaders in charge of so many souls who are hurting and needing God's help to make them whole they are hurting and wounded themselves. A question of our covered-up, wounded heart that my spiritual radar tuned into is, whom do we as spiritual leaders turn to when we are wounded and bleeding from our issues? I hear over and over from spiritual leaders: whom do we talk to when we find ourselves, as Paul puts it, in trouble on every side, case down, perplexed, and even persecuted who do we turn to? What step or tools does a leader who shepherds over many souls have to use to express in daily life how not to feel distressed, despair, forsaken or destroyed? How can you and I as leaders help a wounded Christian in the need to be made whole when we ourselves are still in fragments: uncompleted, fragile, easily broken, broken in many pieces, not all together ourselves? I have learned over the years as a spiritual leader that we have learned how to cover up our wounds well; we have learned to cover up our pain and hurt that were afflicted upon us by

The Love and Mercy of God-Gail Mainor 2013-03-07 This book is a dedication unto the Lord Jesus Christ, who is the author and finisher of my faith. I am so grateful for all the wonderful things that the Lord has done for me. What God has done on the inside, will surely show on the outside. When I didn't know how to love, He taught me. When I didn't know how to forgive, He taught me. I am convinced that there is no other God before Him. "O taste and see that the Lord is good." Psalm 34:8

God Says I Am I Am I Am-Larry B Yarborough 2018-02-06 This book is inspired by God for me to write and let others know how the Lord has helped me when I was out, when I had no one to turn to, when I tried things on my own and nothing worked. When I cried out to God for help, He did help me and eventually turned my life around for the better. Lord, I am so grateful for it. This book is to let others know that God will do the same for anyone else as well. Additionally, I am so graciously motivated and compelled to say that it is all right to turn to God because He is in control. He can make a way out of no ways. Yes, when you are down and out or dealing with addiction, substance abuse, and mental or physical illness, no matter what your situation might be, cry out to God and turn it over to Him in the name of Jesus.

I Am God, I Am Jesus, I Am Allah, the Truth Will Set You Free-jeff olson 2020-01-20 In this book I am going to tell you many things you probably have not heard of before, and with Gods help I will tell the story, God wants you to hear. God and Noel started talking to me when I was four years old, God calls me Allah and Noel calls me father.

Help God, I Am Lonely-Cheryl Travis 2021-07-01 Loneliness creates a feeling of sadness and isolation. It can leave you feeling unworthy and rejected. In this book, we talk about Loneliness, its attributes, its growth, and its ability to idle your life so that you are no longer living but only existing on this earth. Because Loneliness is fertile ground for negative feelings or behaviors, it is the perfect ground for our opportunistic enemy to creep in unawares. My hope is that this book will illuminate the root of Loneliness so that we are able to dig our way out and into successful, viable relationships.

Know That I Am God-Linda Grace Armes 2007-02 Know That I Am God is more than a devotional book. It is a life changing, soul shaking, spiritually reviving interactive journey. From the depths of her heart, the author shares her innermost struggles and fears as well as her praise and worship of who God is. She makes us feel that she is God's only child with His attention fully focused on her that there is no one else in the world that He has to attend to. She knows that she can come to Him anytime, anywhere, about anything at all.

Am I Not Still God?-Kathy Troccoli 2003-06-03 We all can identify with the experience of facing one of life's storms and crying out to God for an answer. However, if we listen closely, we hear Him provide not an answer but rather another question- "Am I Not Still God?" It is perhaps the only question that matters. How you answer it may shape the rest of your life. Using examples from her own experience, Kathy Troccoli shares how God is unconcerned with explaining Himself-instead He is concerned with demonstrating love and developing a holy character in us. She details God as the ultimate shelter in the face of the most violent storms. As these painful trials are allowed into our life He promises we will never suffer in vain.

Be Still & Know That I Am God-Michael Alton 2020-11-25 *Be Still & Know That I Am God* was the name spoken to Dr. Alton by our father God when he was praying and asking what title to give his book. Certain situations in life renders one helpless and unable to fight for themselves. These are the times when one has to completely let go and let God work things out. It takes total trust in our father God in heaven that it is his will and not ours, whatever the outcome. God's word tells us not to worry about anything as it will not add a single day to our life. God tells us to pray without ceasing and give thanks for all circumstances in life, even the tough ones. God also tells us to consider it a blessing to have trials as it produces endurance. We are to remain steadfast under trial and when we have stood the test, we shall receive the crown of life, which God has promised to those who love him. No matter what you're facing in life, give it to God, relax and know he is truly in control.

Be still and know that I am God!-Dennis Smock 2020-11-30 Do you have a plan for your life? God does, but in this hectic world in which we live, we often overlook or completely ignore His plan. This book looks at the simple concepts where we are told to be still in His presence and to rely on His strengths. Each of us have a calling. In order to know that calling, we must be still, know God and then listen, learn and take action. We must also learn that we are to be held accountable in our response and that we will require daily renewal in our relationship with the Lord if we are to mature in our faith.

understanding of purpose, demonstrating positive response to process that births it. The narrations were down to earth, encounters were unimaginably inhuman, sordid, and undignifying but courage and patience had the better valour. She was cheated, dejected and humiliated. Stoutly, she kept a calm disposition. Her teachable spirit and deference to counsel leveraged on divine strength and victory for her. She was rewarded. Everything fell into shape. Life now has a meaning; desires, pictures and dreams of life are established. I recommend this great book from my daughter in faith to all who acknowledge there is hope in their future, and future in their hope. What you are going through will not see your end; you will see their end. As she, uncompromisingly made it through righteous principles, on same track, you will make it. Seeing you on the sunny side of life. Dr Tunde Bakare Serving Overseer The Latter Rain Assembly Lagos, Nigeria.

Who Is God and What Am I Doing Here?-John Covington 2011-06 Do you know for certain whether you're going to heaven or hell when you die? John Covington does not know your fate either. However, in *Who Is God and What Am I Doing Here?* John offers some insights that may help you answer the two most important questions you may have about your existence. You are a good person—is that enough? Who is God, what is the Bible, and how can it affect you? This book will provide you with a better understanding of God, your purpose in life, and some commonsense steps on where to begin your journey to answer these questions. Jump into this book and find out for yourself, *Who Is God and What Am I Doing Here?* 'Inquiring pilgrim disciples who are interested in being on the path with Jesus now have a faith primer. John Covington provides witty and practical insight for those who have unsatisfied curiosity about the world in which they live and have their being. His illustrative probing into the biblical stories helps the reader to grapple with what they believe in the context of fears and doubts. Covington unabashedly reveals what he sees and believes as a pilgrim disciple of the path with Jesus. This book is helpful reading for persons who are at different places along the path.' Bishop Ernest Lyght, West Virginia Conference United Methodist Church

I Am Crying, God-Sharis Pitt Goines 2017-03-22 My people are destroyed for the lack of knowledge (Hosea 4:6). This book is a cry to the souls of humanity. It uncovers the unhealthy mind-sets that have penetrated the church, causing leaders to surrender their wills to a false deception of the Word of God, leaving his people in a fragile and vulnerable state. Churches have been destroyed, families divided, and marriages shattered. It demonstrates how Gods people have allowed the spirit of deception to manipulate, control, divide, and conquer. It brings to the forefront the seriousness and undeniable need for emotional healing amongst the people of God a healing that affects the hearts and minds, restoring health and wholeness in our very existence.

Thank God I'm Not a Pharisee...or Am I?-John Elzinga 2005-12-01 Designed to uproot Pharisaicalism from the evangelical church, this text is a guide for transforming it into a community of forgiveness, exemplifying Grace-full living. (Christian)

God Created Me-So I am-Maria Moreno 2019-06-19 Psalm 139:14 says, "I praise you because I am fearfully and wonderfully made; your works are wonderful, I know that full well." Our wonderful Creator, the Great I AM, created a beautiful, wonderful, and unique I am in each one of us. We are to celebrate our life and who God created in us when He gave us our unique characteristics, passions, talents, gifts, and purpose in life to become someone who cares and helps others.
